

Powering Business Worldwide

**EATON COOPER POWER SYSTEMS**

Liquid Filled Transformers (substation, padmount, polemount), Padmounted Switchgear (oil vacuum, solid dielectric), Visovac Switchgear, Network Protectors, Reclosers & Regulators (padmount and polemount), Sectionalizers, Capacitors, Surge Arresters, Fusing Equipment, Fault Indicators, Molded Rubber Products, Switches (M-Force GOAB, disconnect and by-pass)

[eaton.com](http://eaton.com)

**WEG ELECTRICAL CORPORATION**

Power Transformers – 10 MVA to 400 MVA,  
UL Label, IEEE/ANSI Standards

[weg.us](http://weg.us)

world of transformers

**TMC TRANSFORMERS**

Cast resin distribution transformers suitable for indoor and outdoor installation from 50kVA to 25MVA with system voltages up to 46kV and 250kV bil (including low voltage offerings). Chokes, reactors, network/submersible transformers, special harmonic designs, air forced water cooled designs.

**OLSUN Electrics**  
Engineered Transformer Solutions

**OLSUN ELECTRICS**

LV and MV Dry Type Transformers (VPI and VPE)  
Load Interrupter Switches

[olsun.com](http://olsun.com)

**POWELL**

Powered by Safety®

**POWELL ELECTRICAL MANUFACTURING CO.**

Metalclad Switchgear, Metalclad Breakers, Arc Resistant Switchgear, LV Switchgear, Power Control Rooms, Load Interrupter Switchgear, Motor Control, Onsite Service and Power Automation

[powellind.com](http://powellind.com)

**DELTA-UNIBUS INC.**

Non-Segregated & Segregated Bus Duct, Isolated Phase Bus,  
Cable Bus, Repairs, Engineering, Turn-Key Installation

[powellind.com/bus-and-cable-duct](http://powellind.com/bus-and-cable-duct)

Powering Business Worldwide

**EATON ELECTRICAL ENGINEERING SERVICES & SYSTEMS**

Onsite Services including installation, start-up,  
Commissioning, maintenance, testing and  
System studies.

[eaton.com/services](http://eaton.com/services)

**POWER DESIGN, INC.**

Fiberglass Enclosures, Buildings & Sectionalizing Cabinets

[powerdesigninc.com](http://powerdesigninc.com)

**ELGIN POWER SOLUTIONS GILBERT ELECTRICAL SYSTEMS**

Metal-Enclosed Switchgear, Capacitor Assemblies & Harmonic Filter Banks,  
Transclosures, Metering Cabinets, Neutral Grounding Reactors, Mobile &  
Turnkey Substations, Custom Solutions & Integration

[elginpowersolutions.com](http://elginpowersolutions.com)

**SATEC METERS**

Metering Hardware and Energy Management Solutions including power  
meters, power quality monitoring, multichannel submeters and energy billing  
platforms using energy monitoring and management software

[satec-global.com/](http://satec-global.com/)

**MYRON ZUCKER**

LV Power Factor Correction Capacitors, Harmonic Filters

[myronzucker.com](http://myronzucker.com)

Unparalleled Protection

**I-GARD**

Neutral Grounding Resistors, High Resistance Grounding  
and Protective Grounding Relays

[i-gard.com](http://i-gard.com)

**Exponential™**  
POWER

**EXPONENTIAL POWER**

LFlooded, VRLA and Ni-Cad Batteries, Electric Forklift Batteries,  
Battery Chargers, Battery Racks, Spill Containment Systems,  
Battery Test Equipment, Inverters, UPS Systems.

[exponentialpower.com](http://exponentialpower.com)

**ARTECHE**

MV Instrument Transformers, Enclosed Capacitor Banks and  
Harmonic Filters, Relays, Switches, MV Sensors
